ADD USER

FIG. 13

ams.mysrc.com:Application Management System - Microsoft Internet Explorer provided by Allied River Communications

Please select a file that you would like to import. The file should consist of the following:

- Column Values Required in 1st row
 - o LastName
 - o First Name
 - o WorkPhone
 - o WorkEmail (highly recommended)
- Column Values Optional in 1st row
 - o CellPhone
 - o Pager
- tab delimited file (ie from MS Excel, do a Save As tsv file) Note that you do not want tabs in your data

Press the Browse button and locate the file you would like to import. AMS will validate all data and give you a chance to either fix any problems, delete that row from the current import or apply the changes. You also have the opportunity to have a Welcome to ARC message automatically sent to the users

Import File Location : Browse
